You Will Always Be My Friend

Sometime ago
I received a special gift
and it came in the form of you,
My friend.

You are so important to me,
and I want to thank you,
For all the wonderful memories.

Whenever I see you,
I am reminded of myself.
Whenever I think of you I am reminded
of all the good times we've had.

Together we've done so much,
Seen so much, and felt so much.
With a knowing smile,
I look back at the shared times,
And all the things only you and I know.

With high hopes and great expecations,
I look ahead to the future,
and all the things only you and I will share.

You not only put a smile on my face;
You put a smile in my heart,
You will always be my friend.

FACULTY

Thanks...?!?

Every yearbook has to have some sort of cheesy, sentimental farewell and "thanks" to our faculty at IHS. This year I get to write it; yes me, Kieran Riley. As you can imagine, I'm having trouble! It's not easy because I am asking the same questions that everyone else in my class is saying:

"Thank the faculty??!! What?! The teachers?? For what? Four years of detentions, evil tests from hell, shiploads of homework, and all of those bad grades and headaches? I think not!"

Well, looking back at our four years of hell, I finally realize our teachers' plight. I mean really, they do deserve a pat on the back and a round of applause for staying sane and (we hope) alive after these four years. They had to deal with about a hundred, mostly immature, bored, cooped up students, of whom any hardly wanted to do school work everyday. When we were underclassmen, we have to admit, all faculty members were automatic enemies. After all this, we have to say something.

So, instead of a "We're sorry!", I would like to acknowledge on behalf of the Class of 1994, our faculty. We say thanks, especially to those who really gave of themselves and cared about us. And above all, you, yes you, are the reason we get to party hearty and celebrate after we graduate (because we couldn't have finished high school without teachers)!

Thank you!

FRESHMEN

As freshman we entered the high school with many questions and fears. We realized that the high school scene would be much different. But now that the year is over the Class of '97 is ready to move on and accomplish as much as we can. As new students of the high school, we hope to bring new ideas to better our school for many years to come.

SOPHOMORES

We had kind of a rough freshman year due to the fact that we were all confused **freshmen**. Many of us entered the high school thinking that it would be a breeze. However, we were definitely proved wrong.

Our class spirit has improved tremendously. We went from last place in Spirit Week '92 to second place in Spirit Week '93, losing to the seniors. We still have a way to go, and somehow, we will make it. Good luck, Class of 1994!

MTSU

JUNIORS

As freshman we started out unsure of ourselves, but over the years we have developed a sense of purpose. These last three years have been filled with laughter, fun, and hard work. Once over our initial fears we managed to have some truly memorable times. But our time is just around the corner, so prepare yourself, for the best has yet to come. Let's join together for this last year and make it our best.

REFLECTIONS

Of all the things I have written, this is by far one of the most difficult. How can I, one of a hundred, transcribe the sentiments and reflections relative to our precious high school years? High school, the end of childhood for many, is very personal. So, for one man to summarize and recount "the best years of our lives," as it has been said, is bordering on selfishness; the words in this "class history" are mine only, yet they are intended to reflect the feelings of the class as a whole--at least as far as I understand. Therefore, I offer my apologies to any friends or foes who might have any descrepancies with or qualms about what I have written here. I have accepted it as a great responsibility and can only hope that it conjures up at least a few images that you, as a member of Ipswich High School's Class of 1994, can relish with good observance.

I've often wondered what the purpose of high school really is. I know we've always been told that we're being prepared for the "real world," but to say that high school is not real disturbs me. So many things occur in so little time: friendships made, friendships broken, first experiences, last experiences, triumphant victories and crushing defeats, each one different yet very real to each of us.

Our entrance into Ipswich High School as freshmen in 1990 carried with it remnants of our middle school days. We were, however, faced with a fairly new environment. Our world was larger; everything just seemed overwhelming at times: upperclassmen were intimidating yet idyllic, the building itself was strange and unchartered, expectations were higher and opportunities abounded. It was then and there that exploration began.

On into our sophomore and junior years, as we grew as people and as friends, we made more concerted efforts to band together as a class in every endeavor. That is to say, this middle section of our high school experience was characterized by transition. Perhaps, some old friendships were lost, but many new ones were forming within our class. We cheered more for one another, we talked more with one another, and quickly we all shuffled down this crowded sidewalk of high school towards our long awaited senior year.

Here we are now. The past years of our high school days but a mere blur. Was it all for real? The sidewalk ends here and the road it meets forks in many, many directions. Let us spend these final days together in recollection and also in continuing our expanding friendships. Let us all pause, and sit down on this crowded sidewalk. Let us rest the feet that have carried us this far, to the end of our childhood. Here, where the sidewalk ends, where we part, maybe forever, let us not forget the times we had together, as one. The experiences and moments I had and those you had--are ours. The cement of this sidewalk, our sidewalk, will remain forever. And when we had just started to walk on it the cement was still wet and each and every one of us left our mark imprinted into the sidewalk. The cement is nearly dry now, and we must venture forth to make our marks elsewhere...

At this point, I must admit that a lump has placed itself in my throat, because I've just discovered one of the most difficult things to do: figuring out how to bid goodbye to about a hundred people you've just realized you love. So, I guess I'll just say it before I forget, and I hope I say this for the entire Class of 1994: I love you and hold a special place for you all in my heart and memory.

-Thijs Messelaar

A Night to Remember

The night of May 29, 1993, was an evening filled with memories that will never be forgotten. The Class of '94 joined together for a formal night at the Rowley Country Club. Although it started off slowly, the "YMCA" brought us all out onto the dance floor. From then on the atmosphere was filled with special moments to be cherished forever.

THE COMPANY

Lights! Places! Action! This year the curtain went up again for the performing arts group, The Company of IHS. The Company performed to sell out crowds this fall and filled our "cafetorium" with laughs as it put on "You Can't Take It With You." The memories of exploding fireworks, corn flakes, and xylophone playing will live on with all those who saw this humorous show. The Company also performed their first student directed play, "Merry Medieval Christmas." This was performed at the Crane Castle in front if a sell-out audience.

Led by director Mrs. Faust, The Company has become a true working unit. She has shown great dedication as she directed The Company to one of its finest years yet. Now, lets see what we can do about an auditorium.

NATIONAL HONOR SOCIETY

The National Honor Society is a select group of Seniors who have taken a real initiative to improve life in the school and in the surrounding community. Although it is difficult to make a difference with so few people, this group has dedicated much time and energy into tasks such as morning announcements, rewards for academically honored students, visiting nursing homes, peer tutoring, various community service projects, and holding a phonathon to raise money for the American Heart Association. This group should be commended for the hard work and dedication that they have shown in their attempts to aid others.

PROJECT CLOSE UP

The project Close-Up group of young and ambitious students travels to Washington D.C. in March every year. Throughout the year, the students held many fundraisers including, a Middle School dance, two lobster roll sales, and a raffle, to help reduce the cost of the trip. While in Washington D.C., the Close-Up group learns first hand how the government is run. Not only is this trip a learning experience, but also an exciting one. High School students from around the country go to Washington D.C. to discuss controversial and debating topics.

ART CLUB

Art Club met every Wednesday after school. This time was used to work on projects unable to be finished during class time. The members enjoyed socializing while at the same time, exhibiting their artistic abilities. Not just on Wednesdays, but on any given day one could go in and find someone carving in clay, painting a canvas, sculpting an object, or making a creation that comes alive. Sandstone was a huge success not only in Art Club, but with every art class. Mrs. Bini had no problems keeping new and unusual ideas in her head for us to do when we finished "The drawing of the oak tree." Whatever we did in Art Club, either solo or in a co-operative project, we enjoyed ourselves and obtained the added pleasure of being able to concentrate on our collective love - ART.

Z. Soffron

RECYCLING CLUB

The Recycling Club has enjoyed their work this year, and wants to thank all those who pulled up their sleeves and lent a hand. It has been a gross job, but someone had to do it. This year the Recycling Club recycled the white paper, cans, glass, and styrofoam of the IHS. Their efforts have been greatly appreciated throughout the year. It may not be the most appealing job, but it's important, and it's real fun when it reeks!

COLLEGE BOWL

Is there a clear definition as to what College Bowl is? Not really. The definition of College Bowl changes with every meet, because College Bowl is what we make of it. Under the power of Dr. Ladd, we have been skillfully trained to attack every type of trivial question in existence. So well in fact, that we, the distinguished members, have concocted a few of our "when-in-doubt" trivia attacking tips. One, if you are in a mathematical bind, 62.5 is your best bet. Two, Shakespeare can work wonders if our literary minds are out of sync. But no matter what clever tactic we use to win or lose, we will not cease to harass St. John's Prep. So, my fellow Bowl members, let us continue to eat our way to glory through stale cookies and watery punch.

AMNESTY INTERNATIONAL

Unlike other activities, Amnesty International fights for human rights and equality. Advised by Mrs. Tozier, Amnesty meets every Monday for a half an hour or so, and writes letters to prisoners who have been incarcerated for speaking their minds. With our letter writing campaign, we hope to free these political prisoners and to encourage others to question authority. With these goals in mind, we can stop the hate.

MAGAZINE

Mrs. Benedetto's senior English magazine class publishes "The Chameleon" twice a year. This literary magazine illustrates the talents of students at IHS, including photography, artwork, poems, and short stories. This year's magazine class consisted of a variety of energetic and talented seniors who worked their hardest to create two very memorable issues. The determination of the class and hard work paid off when "The Chameleon" was distributed to the school in January and in March.

JOURNALISM

The Tiger Transcript is the product of aspiring jounalists found once a month in the pages of the Ipswich Chronicle. William Laakso, the advisor, serves as a consultant to the editorial board, which is comprised of a few students in the journalism class. The Tiger Transcript tackles a plethora of issues, ranging from the sentimental to the contravercial, but all articles are written with fine jounalistic technique. The Tiger Transcript is the voice of IHS.

SPEECH

Freedom of Speech has been around for many years, but is anyone taught how to present themselves while speaking? Mrs. Faust teaches the Speech Class how to express themselves through the words and the proper techniques of public presentation. We will never forget the peer criticisms and compliments that helped us overcome this difficult task. Such performances like the Martin Luther King Day and Memorial Day assemblies are just a few of the many presentations we will remember.

OCTET

Eight voices blending together with great harmony is how one could describe the Ipswich High School Octet. This after school singing group is made up of four female and four male voices. This group practices under the direction of Mrs. Sheppard twice a week. One can tell by their voices that this is a highly motivated group of students who enjoy expressing themselves through music.

T. Gooby

CONCERT CHOIR

Five days a week during fifth period, more than 50 students at Ipswich High School create beautiful music together. With Ms. Cayot up front and Mrs. Faust behind the piano, this group of talented individuals can't go wrong. They have performed everything from show tunes to gospel music. Their performances range from recitals and concerts to visiting nursing homes throughout the holiday season. Elisa Salerno describes her experience, "We seniors have watched the Concert Choir grow and change over the past four years and let us tell you, the bigger the better! We would like to thank all of the underclassmen members and the music teachers for making our Senior Year in chorus much fun. We've had a great time, keep on singing!"

BEL CANTO

Bel Canto consisted of twelve young women this year, which was perfect for wonderful singing. Even though practice time was cut down to once a week, this talented group of singers still made beautiful music. This female vocal group really loved to sing together (when they were done talking). Bel Canto resembles a very musical little family, united through their passion for singing. The senior girls would like to thank Ms. Sheppard and the underclass-women for making Bel Canto so enjoyable and for adding to the excitement and fun of their Senior Year.

Elisa Salerno

CONCERT BAND

The joyous return of director Gerry Dolan from his stay in England, jump-started this year's concert band/pep band into a rather successful year. As always, the I.H.S. "too cool to march" pep band was the highlight of every football game, pep rally, and parade with star performances of "The Flinstones", "Soul Man", and other famous "band cheers." Shifting into the Concert Band mode, the band tackled the most challenging music yet. Through it all (the bad band jokes, the sub-zero temperatures, and more), this year's harmonious concert band was a success. It was one that will always be remembered in I.H.S band history.

S.Gormley

JAZZ BAND

No concert is ever complete without the phenominal finale of the renowned I.H.S. jazz band! This year's band was one of the most talented groups in Ipswich High history. With the return of director, Gerry Dolan, the band picked up its pace in order to meet its demanding performance schedule, which included attending a competition at Wayland High School. As always, this years swingin' band dazzled it's audiences and the legacy continues.

MATH LEAGUE

Math League is a group of determined Mathematicians that meet once a month to compete against schools from around the area. Mrs. Soliozy leads this team and helps them prepare for the fierce competitions. However, no matter if the team wins or loses, they are always given food. Hopefully with high powered calculators and sharp number two pencils, this team will continue to struggle on in the world of mathematics.

SCIENCE LEAGUE

The Ipswich High School Science League Team has joyous team projects that challenge our minds. Our Science Club leader, Mr. Pete, treats us all so kind. We truly much love the many scientific ways, and always get wound up in a scientific craze. As our Crew hops aboard the Ipswich Tiger IV, we are all anxious and excited as we stroll through the door. But wait! There's MORE! We get cookies and milk and goodies to eat. Our Science League competitions are always a treat! Once a month our team will unite. We try to win each meet with great might. We may not be DesCartes, Einstein or Newton-But Damn it -we sure are going to try

SPIRIT WEEK 1993

When else can a girl clash her outfit or a guy don his mother's skirt while being congratulated for it, than during Spirit Week?

In its third year, Spirit Week once again built individual class camaraderie through the essences of participation, and, most importantly, school spirit; dressing up according to daily themes; stumbling through an obstacle course; helping fellow classmates in a tug of war; whistling with a mouthful of saltines; performing a lip synch; struggling across the gym floor on a tiny tricycle; decorating a hallway; or simply cheering louder than anyone else does at the rally. Spirit comes from within and all those with heart had a chance to express their school spirit.

As in the past, "spirit levels" were measured according to the points won by each class in the particular Spirit Week events. With stellar performances in nearly all the events, the senior class finished the week with the most "spirit." Let it be known, however, that every class at IHS proved to possess immeasurable levels of school spirit during the highly renowned Spirit Week of 1993.

Thanks to all who made it memorable!

FOOTBALL

The Ipswich Football Team has totally dominated the Cape Ann League for the past two years, and this year's team has added yet another league championship to its record. Finishing 9-1, with a lone one point loss to the co-champion Newburyport Clippers, Ipswich proved once again that they were the best team in the league. The Tigers were led by captain, Jeff Vitale. The team featured a veteran offensive line, an array of super-talented backs, and a crushing defense, claimed to be one of the best ever seen by Ipswich eyes. Ipswich outscored opponents and went out with a bang, amassing points in the final three games. Thanksgiving Day ended with a 36-7 win over Hamilton-Wenham, and Amesbury's upset of Newburyport, gave Ipswich a share of the Cape Ann League title for the third year in a row.

The intensity of high school football is football at its best. Nowhere and never again will the graduating players have that same rushing feeling of violent contact, sprinting through defenders, and hearing the roar of the crowd on that touchdown pass. These memories will remain in the minds of the players after they walk off the field for the last time. But as these players graduate, whether or not they play football in college, they will have the pride to say, "We were the best."

BOYS' SOCCER

The 1993 version of the IHS Boys' Soccer team did not meet the expectations they had in pre-season. Yet this team will be remembered for a long time as a result of their heart, determination and the diversity of the team, which consisted of players who had lived in other countries such as Haiti, El Salvador, and Ethiopia. Their record may have only been 6-9-3, but this team achieved the respect of their opponents. Two games stand out in particular. Ipswich played CAL powerhouse Masconomet early in the season, and were leading 3-2 until Masco salvaged a tie with just 40 seconds left in the match. This was the first time an IHS Boys' Soccer team had ever tied Masco. Later in the season, IHS battled Georgetown, who had beaten Ipswich 2-0 in a previous meeting. The Tigers shut out the Royals 4-0. Though not very successful on the field, the Tigers were a great team to watch, and especially to be a part of.

GIRLS' SOCCER

It's not the destination, but the path taken that means the most. And by no surprise the IHS Girls' Soccer team did not have a winning record. However, the team will never forget the memories, on and off the field, that were made this season. Under new coaching, the team improved in every aspect of the game; unfortunately the time simply ran out. But, with the way the team has been improving, they will make that destination someday. Working and struggling through each and every game has taught our team more than any championship win could. It has taught us that as a team we can't lose. As for the memories; cherish them seniors; and continue to make new ones underclassmen. In 93': The Cream War, Corner kick, off Sarah! Thanks Jackski and Chuckski. Good luck girls.

The Ipswich Golf team did surprisingly well this year. The team lost two of its former members who were members of the Tigers' two State Championships. This year's team was lead by, Senior Captain, Matt Harding. The Tigers finished 13-5-1, good enough for third place in the C.A.L. They managed to go to the State Qualifying Match at Beverly Country Club where they finished sixth, missing by a few shots. The qualifying scores were Matt Harding's 81, Jon Well's 89, Casey Kokos's 92, and Chris Frier's 99. The team was able to send Matt Harding to the state individual tournament, the only player in the Cape Ann League to qualify.

The Ipswich Field Hockey team has earned much acclaim this year through the perseverence, spirit, and dedication of its team members. FALL CHEERLEADING

The fall cheerleaders had a successful season this year. Adding to our team's strength were five new freshman, who worked hard and contributed greatly to the overall performance of our squad. We kept the Tiger Spirit alive throughout the fall season and had fun cheering on each of the fall sports. We overcame many obstacles and gained many new friendships from the experiences we underwent. We will never forget the time our bus broke down on the way to the North Andover night game and were stranded at the Rowley Mobil for the first half of the game. The senior cheerleaders would like to wish the best of luck to the remaining members of the squad. There goes the bus...again!!!

The Tigers started off slow in the "93-94" season. Many great games were played with the 17 hard-working individuals that comprised the team. Our overall record was 5-13. Due to many injuries and suspensions, the team struggled but never gave up. With only four seniors graduating, the hockey team still has lots of talent and heart left in the sport. BOYS' BASKETBALL

This year's edition of IHS Boys Varsity Basketball started with high hopes. Two major editions to the team were Saugus-transfer guard, Nick Trueblood, and the big rookie sophomore, Dave Langlais. The year was highlighted by many great memories despite a disappointing record. Ipswich's encounter with Marblehead's Aaron Fox showcased five slam dunks. Steve DiPalma's buzzer-beater at Triton gave Ipswich a 1-0 record. After wins over rivals Pentucket and Rockport, which included sharpshooting from 3-point specialist Trueblood and captains Kieran Riley and Mike Seidler, the Tigers had trouble winning until Lynnfield. Ipswich upset top-ranked Lynnfield behind a complete team effort showing the true heart this team had. Ipswich coach David Dalton finally had a reason to be proud. INDOOR TRACK

The Ipswich Indoor Track Team has always had a problem with numbers, but never a lack of talent. This year's team was no different, but proved itself to be above the others by winning the first ever Indoor track league championship in Ipswich history.

Led by Captains Richard Seltenrich and Tory MacIntyre, this highly talented team worked hard the entire season. Coach Spellman pushed the team to achieve personal goals, school records, and ultimately, a league championship.

Never has such a small group achieved so much!

WINTER CHEERLEADING

The Winter Cheerleading team was comprised of 12 very unique and hardworking athletes. Each cheerleader added character to the team and helped to create a special bond between all of the teammates that grew stronger as the season progressed. Working for many hours through stiffness and aches, the cheerleaders learned the importance of never giving up. They put together an impressive routine for the Annual C.A.L. Cheerleading Competition on February 9th, where they placed fifth. The team helped to carry on Ipswich High School's tradition of hardworking and successful athletes. Their pride for I.H.S. was reflected through the smiles that could always be seen on each of their faces.

VARSITY T to B, L to R: S.Wright, A.Jones, R.Estrella, J.Alhowik, D.McCarthy, C.Miller, K.Wile, E.Graffum, J.Bernard, K.Sikora, S.Brown

YEARBOOK

As **The Glittering Eye** comes to a close, the Yearbook Staff would like to wish good luck to our classmates in all of their future endeavors. We have worked very hard to compile a book with memories and photos to reflect everyone's high school experience. This yearbook is dedicated to all of the friendships, past and present, that were made within our class. As you leaf through this book, remember all the great times and friendships that have been created throughout our high school years. A big thanks is given to all who made this book possible, especially Mrs. Bini, Mr. Winters, and Mr. Merullo, the three advisors who gave up much of their valuable time. Cherish **The Glittering Eye** always and use it as a key to your childhood.

Co-editors: Julie Alhowik and Iza Suchecki

"Take care of yourself. Be a prolific artist, letting time be your canvas and ideas be your paint. Share your art with the world."
Francesca Bini

To laugh often and love much;

To win the respect of intelligent people, and the affection of children;

To earn the appreciation of honest critics,

and to endure the betrayal of false friends;

To appreciate beauty;

To find the best in others;

To give of one's self;

To leave the world a bit better, whether by a healthy child,

a garden patch, or a redeemed social condition;

To have played and laughed with enthusiasm, and sung with exaltation;

To know even one life has breathed easier because you have lived.

This is to have succeeded.
